

Manorial Court Rolls

The Manorial Court Rolls for Lowick Manor and Barmoor Manor (including Bowsden) covering a few years in the 1650s and the early 1700s have been transcribed and it is intended that they will feature in the 2020/21 Programme. They provide a glimpse of the life that prevailed in Lowick before the Enclosure of 1724, (see Farms above).

For further information on any of the projects or if you have anything to add, do please get in touch. Ultimately, the research will be made available on the website.
